

MOPS
at McLean Presbyterian Church

WHAT IS MOPS?

MOPS is a program for Mothers of Preschoolers (ages birth through Kindergarten) where teaching is based on Christian principles. **Teaching topics** will include womanhood, parenting, marriage, and family life. The teaching topics encourage discussions in **Care Groups** where friendships begin to develop. This is followed by a time in which creative skills are enhanced through **crafts**.

WHAT IS MOPPETS?

While the mother is participating in a morning planned just for her, her enrolled children are included in a separate program, MOPPETS, just for them. All children enjoy playtime with nurturing caregivers. For older children, the program also includes stories, crafts and songs.
